# **SITUATION SUMMARY**

## **Hurricane Norbert: Impact to Southern California**

### **Situation Overview**

#### **Riverside County**

Riverside County has been impacted by Tropical Storm Norbert. Flash flooding and impacts have been experienced by the following communities of Riverside County:

- City of Riverside, City of Palm Springs, Thousand Palms
- The City of Indian Wells is reporting approximately 75 homes with minor storm-related damage.

### **Road Closures**

- U.S. 95 in San Bernardino County from 16.5 miles south to 15.8 miles south of Needles has been reopened.
- State Route 78 in Imperial County from the San Diego/Imperial County Line to the Junction of State Route 86 has been reopened.
- State Route 177 is closed in Riverside from the Junction of I 10 to the Junction of State Route 62 due to flooding.

### **Schools**

- Desert Sands Unified: Adams Elementary School was evacuated due to water in the electrical room; the school was closed due to lack of power; students were evacuated via school buses to the District Office to be re-united with parents. Adams Elementary School will be closed and all classes cancelled for storm-related repairs.

### **Activations**

- Riverside County EOC activated to Level 1 at 1230 hours, 9/08/14, and deactivated at 1700 hours, 9/08/14. Riverside County does not plan to activate 9/9/14 unless the situation changes.
- Cal OES Southern Region EOC activated to Level 2 at 1300 hours, 9/08/14, and reduced to Level 1 activation status, normal operations, at 1700 hours, 9/08/14.

# **SITUATION SUMMARY**

## **Hurricane Norbert: Impact to Southern California (Continued)**

### **Cal OES Actions**

- County Warning Points continue to be briefed by the California State Warning Center as severe weather products issued by NWS Weather Forecast Offices evolve.

There are no unmet needs or requests for State assistance at this time.

### **Weather Briefing/Forecast; as of 1000 hours, 09/08/14**

The remnants of what was Hurricane Norbert continue to meander slowly northward off the coast of Baja California. The now post-tropical cyclone is currently forecast to approach the Baja coast late Tuesday (9/9) and Wednesday (9/10). Meanwhile, extensive tropical moisture is in place across the desert southwest with widespread showers and slow-moving thunderstorms (some with very heavy and prolonged rainfall) over AZ, mainly southern NV and southern CA. These showers and thunderstorms may very well continue off and on through at least Wednesday. Flash flood watches and/or warnings are in effect for much of this region. In addition to heavy precipitation at times over the desert southwest, coastal areas are concerned about elevated surf, strong rip currents and possible minor tidal flooding during high tides.

### **Expected Impacts:**

#### **• Coastal Impacts:**

- Waves and surf 3-6 feet with local sets 8 feet along south facing beaches from Ventura County southward to and including San Diego County.
- Rip currents: Extensive rip currents along with the waves and surf will make for dangerous swimming and surfing conditions.
- Flooding: Local minor flooding of low-lying areas possible during high tides

### **Precipitation Amounts:**

- Precipitation amounts will be highly variable across the region. Higher terrain over southern CA and the southeast CA deserts may see as much as 1-3" through Wednesday (9/10) with much lesser amounts reaching coastal areas as far west as Ventura, CA.

# **SITUATION SUMMARY**

## **Governor Brown Requests Presidential Major Disaster Declaration, Offers Additional South Napa Earthquake Recovery Assistance**

Moving to help communities recover from the South Napa Earthquake, Governor Edmund G. Brown Jr. today requested a Presidential Major Disaster Declaration for the state and issued an Executive Order to help cut red tape and provide additional financial assistance.

A Presidential Major Disaster Declaration triggers the release of Federal funds to help communities recover and the Executive Order provides additional financial assistance to local agencies and non-profit organizations and ensures residents can replace important documents and access key services without shouldering additional costs or other burdens.

The full text of the letter and Executive Order is [HERE](#)

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

### **SITUATION:**

On Sunday, August 24, 2014, at 0320 Hours PST, a magnitude 6.0 earthquake struck five miles northwest of American Canyon, CA. The earthquake nucleated at a depth of 10.8km. The shaking intensity in American Canyon and Napa from the “South Napa Earthquake” was a “VII” on the Modified Mercalli Scale, suggesting very strong shaking occurred in the Napa County area. Ground shaking was felt as far south as Salinas, east to Sacramento, and north to Ukiah. The Cal OES Earthquake and Tsunami Duty Officer is in contact with the United States Geological Survey and California Geological Survey and will provide updates.

### **Access and Functional Needs**

- Solano County established a casework hotline at (707-438-7059) from 1000 – 1700 hours.
- Napa County established a casework hotline at (707-257-2900) from 1000 – 1700 hours.

### **Evacuations/Shelters**

- American Red Cross shelter: Crosswalk Community Church, located at 2590 First Street, Napa, CA: Population: 0; closed 09/08/14.
- Pets can be sheltered at the Napa County Animal Shelter on Hartle Court, Napa, CA.
- American Red Cross shelter: Florence Douglas Senior Center, located at 333 Amador Street, Vallejo, CA: Population: 0; closed 09/06/14.

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County (Continued)**

### **Health and Medical**

- St. Helena Hospital turbidity of sources was investigated and found to be minimal. The main turbidity problems are associated with their storage tanks. Contacts have been provided to the water system for tank cleaners. Additional bacteriological samples were collected by staff. There are no notices in place at this time; however, the situation continues to be monitored.
- Per the Department of Social Services, the following CCL Adult and Senior Care Facilities are impacted:
  - Nazareth Rose Garden of Napa, 903 Saratoga Drive, Napa. Closed due to water damage, 38 residents moved. The facility plans to reopen in approximately 3 months.

### **The following hospitals/clinics are closed:**

- Community Health Clinic (aka: Clinic Ole), 1100 Trancas Street, Napa: Will be closed for two to four weeks due to water damage. All patients with existing appointments have been given appointments at affiliate clinics.

### **Health and Medical Cont.**

- CDPH Women, Infants and Children (WIC) reported (1) center in Solano is closed and will reopen on 9/8/14. As of September 4, 2014, all four affected WIC site in Napa County have returned to normal operating status.
- Department of State Hospitals: Staff relocations to safe structures continue. Structural engineers continue to evaluate identified yellow and red tag structures. Aside from diligent monitoring, hospital life/safety/health issues and patient treatment areas are back to standard operations.
- Napa County Public Health (NCPH) will be submitting a formal request to the Napa MHOAC regarding a request for assistance from the DEODC Emergency Preparedness Team. NCPH is requesting a community assessment of emergency preparedness, mental health issues, chronic disease exacerbation, and injuries following the earthquake. The assessment is planned for the week of 9/15/14.
- CDPH Division of Environmental and Occupational Disease Control (DEODC) Emergency Preparedness (EP) will be assisting Napa County Public Health with an assessment planned for the week of 9/15/14 regarding epidemiological assessment of injuries, chronic disease exacerbation, mental health needs, and personal preparedness related to the earthquake.
- The Napa County Sheriff-Coroner's Office has received one confirmed report of a death related to the earthquake in Napa County. The victim was struck by a TV during the earthquake and did not initially go to the hospital. She was alert on Sunday following the earthquake and did not show any signs of cognitive impairment, but started to exhibit symptoms the next day, August 25. Family members convinced her to go to the hospital, but she collapsed and was transported to the Queen of the Valley Hospital (QVH). While at QVH, the victim's condition continued to deteriorate and she died on Friday, September 5, 2014 due to an intracranial hemorrhage due to injury sustained from the earthquake.

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County (Continued)**

### **Power and Utilities**

Per CUEA:

- All communications functioning in normal range, AT&T has a COLT (cell on light truck) and mobile charging trailer on site in downtown Napa.
- PG&E strike teams deployed to provide welfare checks to the community for isolated power outages for Napa and damaged areas.

### **Water (as of 09/05/14)**

- Meyers Water Company (community, 97 connections) (and neighbor Milton Road & Water Company, community with 24 connections) – They are eligible for emergency funding to install 28,000 gallons of storage and a generator. The Company has reached out to its neighbor (recent WQ impacts to their source were detected that related to the earthquake) to consider long-term options. The two companies are engaged in discussing a possible consolidation, which would ultimately lead to increased source and storage reliability for both water systems. SWRCB is supporting any effort to consider these long-term options (likely CA SRF funds) while being clear on the short-term (P84 Emergency Funding) options.
- City of Napa (Browns Valley Pressure Zone, 1,800 connections) – The City has worked with customers to minimize peak demands and has a contingency plan (labor intensive) if the pump fails. To address these immediate needs, SWRCB is working on an emergency grant to provide the following: (1) 2 x variable frequency drive pumps, (2) emergency generator, and (3) a temporary cover on a structurally compromised tank. There are pressure recorders at two locations in the distribution system to monitor Browns Valley – these may be utilized in the near future to monitor any repairs made in the vicinity of sewer main breaks. To date, 140 bacteriological samples were collected following the event and no E. coli was detected in the distribution system.

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County (Continued)**

### **Deployments**

- None

### **Activations**

On September 5, at 1700 hrs. the Cal OES Coastal Region Emergency Operations Center (REOC) deactivated. The Coastal Region Duty Officer and assigned field staff, in coordination with Cal OES' Recovery Division and interested stakeholders, will continue to monitor activity, conduct follow-up on related impacts and associated costs, actions taken, and facilitate additional state assistance as needed.

- State Operations Center – Level 1 Activation
- Coastal Region Emergency Operations Center (REOC) – Deactivated 09/05/14
- Napa County EOC - Napa Recovery Operations Center (ROC) – Activated Mon thru Fri from 0800-1700 hrs. until further notice.

### **Proclamations:**

- The Governor issued an Executive Order authorizing CDAA and requested a Presidential Disaster Declaration, 09/02/14.
- The County of Napa declared a Local Emergency, 08/24/14.
- The City of Napa Proclaimed a Local Emergency, 08/24/14.
- The County of Solano declared a Local Emergency, 08/24/14.
- The City of Vallejo (located in Solano County) declared a Local Emergency, 08/24/14; Update received 8/29/14.
- The County of Sonoma declared a Local Emergency, 08/30/14.
- The City of American Canyon (located in Napa County) declared a Local Emergency, 08/26/14.

### **Mission Status: (as of 09/05/14)**

- 3 Coordinating
- 0 Action Required
- 0 On Scene
- 22 Closed

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County (Continued)**

### **Recovery**

- Cal OES Recovery Individual Assistance (IA) continues to support the REOC and respond to inquiries from individuals affected by the earthquake. All IA and Public Assistance (PA) joint federal/state/local preliminary damage assessments (PDA) concluded and a request for Presidential Disaster Declaration was forwarded by the Governor on 09/02/14. However, based on a request for additional IA information, five IA PDA teams are in to NAPA to continue damage assessments until further notice.
- The City of Napa website has information regarding earthquake recovery resources.
- A Public Assistance Applicants' Briefing to discuss the types of assistance available and the programmatic guidelines was postponed until a determination is made by the President on the major disaster declaration request. PA staff will work closely with the Operational Areas and Coastal Region for a date and location at that time.
- On 09/04/14, IA participated in a Long Term Recovery Committee (LTRC) meeting with key organizations interested in recovery efforts. A follow-up meeting was held 09/05/14, the Napa LTRC is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement.

### **Local Assistance Center**

- The City of Vallejo opened a Local Information Booth at 355 Santa Clara Street in Vallejo, through 09/05/14, and worked with the Chair of the Solano Volunteer Organizations Active in Disaster (SVOAD), to assess needs and make information available to the community. Additional discussions are taking place for next steps.
- American Red Cross Assistance Center: Napa Marriott Hotel opened on 09/01/14 from 1000 to 1900 hours for Napa and Solano County; center will be open for two weeks.
- County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice. Over 200 people visited the LAC on opening day.

# **SITUATION SUMMARY**

## **Governor Brown Declares State of Emergency for Northern California Wildfires**

On 08/02/14, Governor Brown issued an emergency proclamation for the state of California due to the effects of wildfires in El Dorado, Amador, Butte, Humboldt, Lassen, Madera, Mariposa, Mendocino, Modoc, Shasta, and Siskiyou counties that have burned thousands of acres, destroyed homes and other structures and damaged critical infrastructure.

## **Cal OES Activations Due to Wildfires**

- The Inland REOC is activated at Level 1

## **NORTHERN CALIFORNIA FIRES**

### **Happy Camp Complex, Vegetation Fire, Siskiyou County**

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/10/14 at 0544 hours](#):

FRA

- [105,194](#) acres, 30% contained
- Type 1 Team in command
- Expected Containment: 09/20/14
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Per CUEA, no threat to communication infrastructure or power lines
- Growth potential is high and a long term fire event is expected, mandatory evacuations and advisories have been established.
- [See Fire Activity Section for detailed information.](#)

### **July Complex, Siskiyou County**

4 miles southeast of Sawyers Bar

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/10/14 at 0600 hours](#):

FRA

- [45,047](#) acres, 78% contained
- Type 2 Team in command
- Threatened Structures: None
- Destroyed Structures: 2 Other Minor Structures
- Whites and Log Fire, no spread expected. Man Fire smoldering and creeping in previously burned areas.
- Man Fire burning actively in Big Elk Creek and Wooley Creek drainages.
- [See Fire Activity Section for detailed information.](#)

# **SITUATION SUMMARY**

## **SOUTHERN CALIFORNIA FIRES**

### **Meadow Vegetation Fire – Yosemite National Park, Mariposa County**

Moraine Dome, East of Little Yosemite Valley, Yosemite National Park.

Per CAL FIRE and Cal OES Duty Officers as of [09/10/14 at 0600 hours](#):

FRA/YNP

- [4,532](#) acres, 10% contained
- Type 2 Team in command
- Dangerous rate of spread
- Threatened Structures: 3 Mixed Commercial/ Residential
- CAL FIRE air resources assigned
- Fire in burning through a popular hiking area in Yosemite National Park
- Fire is spreading to the southwest with additional heat sources to the northeast
- Crews have a 4 hour hike into the fire area
- [See Fire Activity Section for detailed information.](#)

### **Bridge Vegetation Fire, Mariposa County**

Highway 49 at Harris Road – Chowchilla Drainage of Ponderosa Basin Community

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/10/14 at 0607 hours](#):

SRA

- 300 acres, [95%](#) contained
- Threatened Structures: None
- Type 1 IC assigned
- A Fire Management Assistance Grant (FMAG) for the Bridge Fire was approved by FEMA on 09/05/14 at 2033 hours. Declaration number FM5077.
- Hold current containment lines, mop up and patrol
- [See Fire Activity Section for detailed information.](#)

### **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

High pressure and weak offshore flow will maintain mainly clear skies for the next few days both at the coast and across the interior. The ridge begins to weaken late in the week allowing a return of low clouds and areas of fog to the near coast.

#### **San Francisco Weather:**

Temperatures warm above seasonal averages for the latter half of the week as an upper level ridge builds over the West Coast. Temperatures remain warm through the weekend cooling back to near normal values early next week.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

A broad ridge over the eastern Pacific moves over Northern California for the remainder of the week with warm, dry weather. Weak disturbances chip away at the ridge early next week with slightly cooler temperatures.

#### **Hanford Weather:**

Dry weather will continue through the remainder of the week and into the weekend with temperatures near to slightly above normal.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

A strong ridge of high pressure will build and bring a warming trend through early next week. Triple digit heat will be possible for the hottest valley and desert locations through the weekend. A monsoonal flow pattern could return early next week.

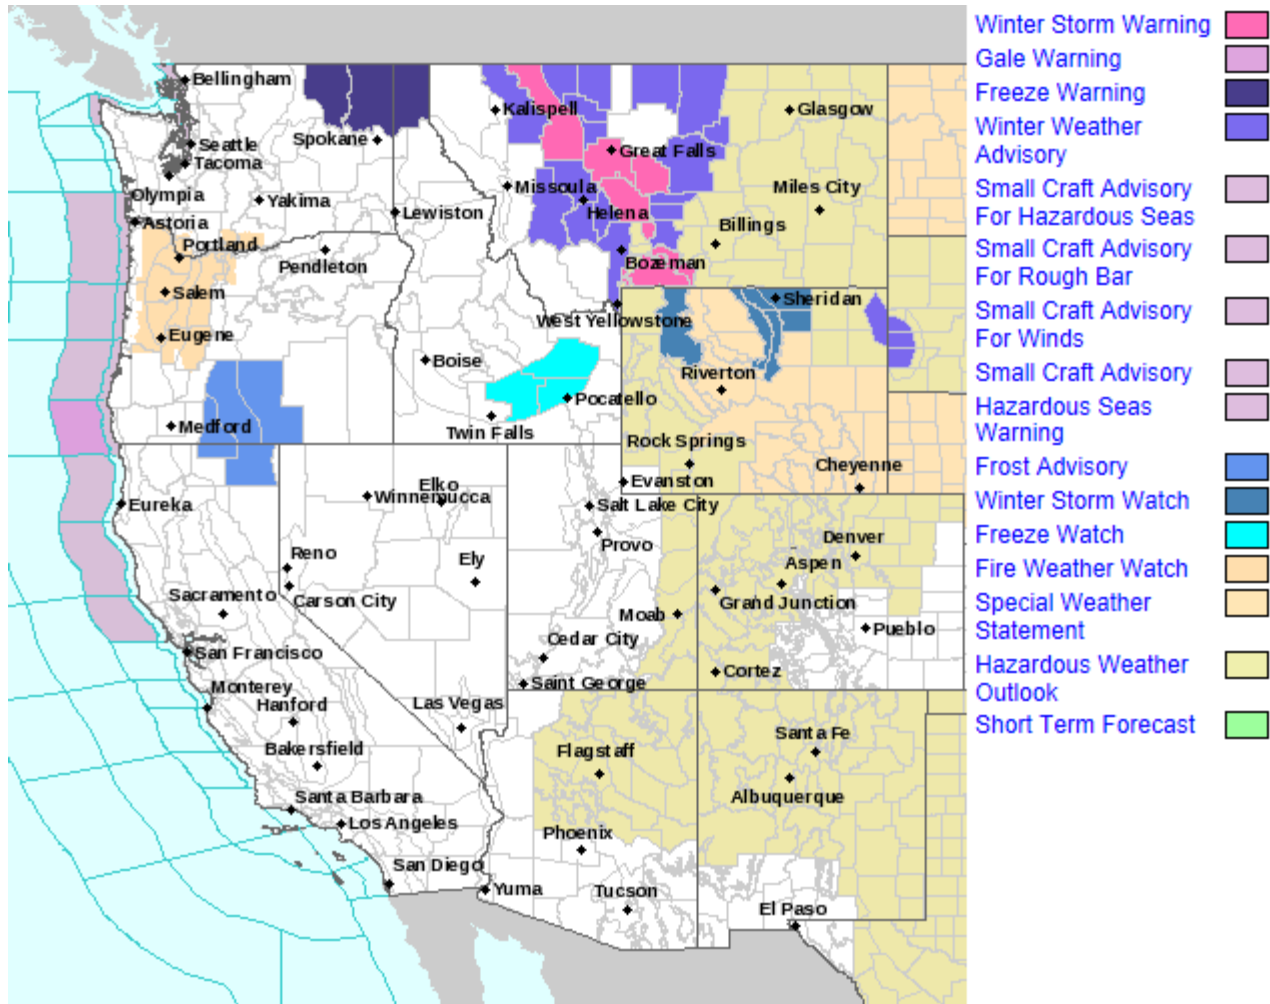

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

Dry weather is expected for the next week, but with some afternoon clouds near the mountains possible for Sunday through Tuesday. High temperatures will be near seasonal levels through Thursday then warming for Friday through Sunday with greatest warming from the mountains to the coast. Hottest temperatures are expected for Sunday and Monday with slow cooling for Tuesday.

#### **Southeast California Weather:**

Dry conditions are expected through Friday along with warmer temperatures and lower humidity. There is potential for moisture to increase again over the weekend.

## **Happy Camp Complex, Vegetation Fire, Siskiyou County**

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/10/14 at 0544 hours](#):

FRA

- [105,194](#) acres, 30% contained
- Type 1 Team in command
- Expected Containment: 09/20/14
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Growth potential is high and a long term fire event is expected, mandatory evacuations and advisories have been established.
- Actions to contain spot fires across Scott River Road, including structure defense and damage assessment.
- Total Personnel – 2,517

## **Emergency Management**

### **Evacuations**

- Mandatory Evacuations:
  - Scott River Road from Bridge Flat to the intersection of Hwy. 96.
  - All areas of Mill Creek Road five (5) miles east of Scott River Road.
- Evacuation Advisories:
  - Highway 96 from the Klamath River Bridge ½ mile west of Grider Road/Walker Creek Road to Scott River Road . This includes both sides of Hwy 96 and the community of Hamburg.
- Currently, there has been no request for LE Mutual Aid; Siskiyou Sheriff's Office, CHP, and US Forest Service LEO personnel, are assigned to Evacuation Advisories/Orders, security and road closure

### **Power/Electrical/Utility Problems:**

- Flumes providing water to the community of Hamburg (Siskiyou OA) - approximate population 80 - were reported burned by the Happy Camp Complex Fire. Immediate water needs are being met through bottled water donations.

# **FIRE ACTIVITY**

## **Happy Camp Complex, Vegetation Fire, Siskiyou County (Continued)**

### **Shelters**

- An evacuation center has been established at Winema Hall at the Siskiyou Golden Fairgrounds, 1712 Fairline Road, Yreka. Population: 4
- An evacuation center has been established at the Karuk Tribe's Senior Nutrition Center located at 64101 Second Avenue, Happy Camp.
- Both large and small animals will be accommodated at the fairgrounds.

### **Health and Medical**

- A Clean Air Respite Center is located at the Family Resource Center at 11920 Main St., Ft. Jones. It will be open during the week from 0900 – 1700 hours. A clean air respite Center has been activated at the Karuk Tribe's Senior Nutrition Center located at 64101 Second avenue in Happy Camp, 0800 - 1700.
- A Health Emergency has been declared as a result of this Complex.

### **Road Closures**

- China Grade Road is open to residents only.

### **Activations**

- Siskiyou County EOC activated Level 1

### **Mission Tasking**

- **2014-IREOC-4568**
- Eight units are in continuing service.
- Due to commencement of school this week at the Klamath site, Unit #29 was relocated on 8/25 to a new site (Seiad Valley) 15 miles west.
- PM levels in the good to hazardous range ( $>2,400$  mg/m<sup>3</sup>) were recorded intermittently at Happy Camp and Sawyers Bar.
- Other locations have predominantly good to moderate air quality with intermittent unhealthy air quality.

# CAL OES MISSIONS

## New Cal OES Missions

- **2014-LAW-5702** Marin County Sheriff's Office is requesting 2 Trailing K9 and 1 Scent K9 resources to assist in the search of a Missing Person (MP). Cal OES LDO is coordinating resources.
- **2014-LAW-5692** International Emergency Response Coordination Center (IERCC) advised of a Delorme device sounding along the John Muir Trail in Kings Canyon Nation Park in Tulare County. Cal OES LDO has contacted the National Parks Service and was advised that they would send an EMT certified Ranger to the location. Additional airborne assets may be requested. Cal OES LDO is monitoring.

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
